The SoZo Teen Center, an affiliate of the Children’s Home of Jefferson County, is a drop-in center for teens where they can hang out with friends in a safe environment. Teens can watch television, play video games and pool, spend time on computers, participate in arts and crafts and performing arts projects, and get help with homework. The Center’s Culinary Arts program offers teens an opportunity to acquire food service job skills. Nutritious snacks and meals are served daily. All teens are welcome!
